Annual Statement of Pension Benefits

The annual statement of pension benefits is undergoing a design change concurrent with our website upgrade. The 2016 statement will be available April 2017. In the meantime, go to your *MyTRA* online account to

- Print an abbreviated statement or
- Review the same information on the old statement on your Welcome page.

Print an abbreviated statement

Step 1. Log into your **MyTRA** account.

Step 2. Click on the **Salary & Service Credit** link.

Step 3. Click on the **Annual Statement** link.

Step 4. **Open the Annual Statement.pdf** file.

This step is browser dependent; refer to your browser instructions.

Review your information

All of the information on your annual statement is available on your Welcome page whenever you need it.

Account Value

The refund value of your account as of June 30 is displayed on the Welcome page.

If you terminate service with all TRA-eligible employers, the refund value of your account is the total of your contributions and accrued interest.

Employer contributions and interest are not reflected in the ending balance.

Leave of Absence

Click on **Leave of Absence** to view the *begin* and *end* dates of your leaves.

If you were on leave and it is not indicated, please let us know. You may be eligible to purchase retirement service credit by making a lump sum payment to TRA.

If your leave spans more than one fiscal year, it will be listed twice. <<example>>

Vesting

Your vested status in on the Welcome page.

Vesting means you have earned enough service credit to be eligible for a monthly retirement benefit other than a refund of your contributions and interest.

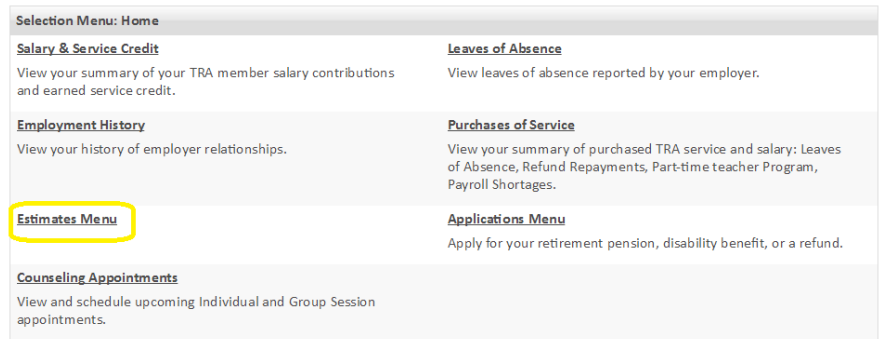

The screenshot shows 'MyTRA Account - At A Glance' with two tables. The first table, 'Vesting & Eligibility', has a yellow box around the 'Vested' row. The second table, 'Account Value', shows total deductions, interest, and total account value.
